St. Albert Chamber of Commerce 2017 Small Business Awards of Distinction

Please enjoy these images that are complements of the St. Albert Chamber of Commerce, and this year's photo sponsor St. Albert Dodge.

An easy way to look at the images is to open the **01_Red_Carpet_Thumbs** or **Award_Recipients** Folders. I've made the thumbnails large enough so that you can click on any image and save it to your mobile device. If you wish to print your Red Carpet photo, take note of the file name, then go to the **5x7_Prints folder** and download that file. If you wish to print an Award Recipient photo contact me and I will format the photo to your requirements.

The are in their own folder.

Larger file sizes are no problem and no charge. Just let me know and I will email you a large file format.

If you have any questions, or if you wish to discuss another photo opportunity please contact me.

Kind regards,

Bruce Lecky
